### BRUSH & YARD WASTE COLLECTION GUIDELINES

1. The collection date for a property is dependent upon weather conditions and volume of collection.
2. Materials must be generated on the parcel where placed for collection.
3. **Brush and yard waste must be in separated piles.**
4. **Brush must be placed with cut ends facing the street. Piles should not be compacted, bagged, placed in collection containers, tarped or tied in bundles. ARM FULL SIZE (SEE ABOVE PICTURE)**
5. Piles must be placed 3 feet from the paved portion of a public street and/or sidewalk. Do not obstruct drainage areas or place near stationary objects (e.g., mailboxes, fences, hydrants, utility poles, parked cars, trees, etc.).
6. Service is provided on every public street **ONE** time during a collection cycle.
7. **Failure to follow guidelines will result in non-collection.**
8. Property owner/occupant will be responsible for disposal of brush and yard waste not removed due to failure to follow collection guidelines.
9. Removal of materials by the owner/occupant must be completed within 15 days of the date of written notice by the Township, which shall be sent by 1st class mail to the address upon which brush and/or yard waste is located.
10. Materials generated by construction; commercial tree & landscaping services must be disposed by the company within 15 days of the date of completion.
11. Township employees will not enter private property to collect brush or yard waste.
