Each bidder must carefully examine all Contract Documents, to completely satisfy themselves as to the nature and location of the work as well as all site conditions that may affect performance of work. Alternate bids will not be considered. Unless all bids are rejected, and except as otherwise provided by law, the award will be made to the lowest responsive and responsible bidder.

SUBMISSION AND OPENING OF BIDS

East Buffalo Township, herein also referred to as the "Municipality", will receive separate and sealed bids. Such bids shall be submitted on the BID PROPOSAL form which is part of this Document. Bids that are not so priced and signed in ink will be rejected.

The bid and supporting documents must be submitted intact, sealed and hand delivered or mailed to East Buffalo Township, 589 Fairground Road, Suite 1, Lewisburg, PA 17837. The Bidder's name and address shall be marked in the upper left-hand corner and the words **"SEALED BID FOR SALT SHED WITH ATTACHED LEAN-TO BUILDING CONSTRUCTION"** shall be clearly marked in the lower left-hand corner of the sealed envelope.

It is a Bidder's responsibility to make sure that its bid is received by the Municipality prior to the submission deadline. No liability or responsibility shall be attached to any representative of the Municipality for premature opening of any bid not properly addressed and identified.

Bids must be firm. If a bid is submitted with conditions or exceptions or not in conformance with the terms and conditions of the Contract Documents, it may be rejected. The bid may also be rejected if the product or work offered by the Bidder is determined by the Municipality not to be in substantial conformance with the Contract Documents including the technical specifications.

Bidders shall submit their bids bound with the complete volume of Contract Documents including all pages correctly assembled. The bid should be properly executed; and be accompanied by all bonds, certificates, questionnaire form and other supporting information and documents, as necessary.

If you are conducting business as an individual, you must insert your full name and resident address in the body of the bid. If you are conducting business as a partnership, the individual names and addresses of all members of the partnership must appear in the body of the bid. If you are conducting business as a corporation, the name of the corporation, its principal office and state of incorporation must appear in the body of the bid and the bid must be executed by an authorized officer of the corporation.

Unless otherwise so provided, failure to comply with any of the above provisions shall be cause for rejection of the bid, at the option of the Municipality.

CONTRACT AWARD AND NOTICE TO PROCEED

The Municipality reserves the right to reject any and all bids. The Municipality may, solely at its own discretion, award the Contract to the lowest responsive and responsible Bidder within sixty (60) calendar days from the date of bid opening.

The Notice to Proceed will be provided to the awarded Bidder and shall be effective the date of the notification. The Municipality will endeavor to issue the Notice to Proceed within seven (7) calendar days after the contract is awarded.

Bidders that do work, prepare to do work, order any materials or equipment or make any financial commitments concerning this Contract prior to receiving the Municipality's Notice to Proceed are proceeding at their own risk.

CONTRACT DOCUMENTS

Specifications and Instruction to Bidders may be obtained on the following website: www.ebtwp.org.

Submission of a bid constitutes a representation by the Bidder to the Municipality that the Bidder has reviewed the Contract Documents in their entirety and has analyzed all applicable provisions, terms, conditions and sections and related information in preparation of its bid.

BIDDERS TO INVESTIGATE

Bidders are required to submit their bids upon the following express conditions which will apply to and be deemed a part of every bid received:

- Bidders must satisfy themselves, by personal examination of the installation location and by such other means as may be necessary or helpful as to the actual and exact conditions existing, the character and requirements of the work and the difficulties intent upon its execution and analyze all laws and regulations which may affect the work. The Municipality will provide each Bidder reasonable access to the location where the work is to be performed to conduct such investigations.
- If any discrepancies should be found between existing conditions and the Contract Documents, prospective Bidders shall report these discrepancies to the Municipality for clarification prior to submitting a bid.
- Failure of the Bidder to recognize job site conditions that affect the work shall not be considered sufficient cause for an increase in the contract price.
- Submission of a bid will constitute an incontrovertible representation of the Bidder that the Bidder has and will comply with every term, condition and requirement of the Contract Documents and that the Contract Documents are sufficient in scope to convey all terms, conditions and requirements for performance and furnishing of the work.

BID SECURITY / CONTRACT EXECUTION

Bids shall be accompanied by a certified check or properly executed bid bond on the form included herein, with corporate surety approved to do business in the Commonwealth of Pennsylvania and satisfactory to counsel for the Municipality and with valid power of attorney attached, in the amount of not less than ten (10%) percent of the total bid amount payable to the East Buffalo Township, as security that the Bidder, if awarded the Contract, shall enter into a written contract with the Municipality and supply to the Municipality all required bonds and other documents, materials or items required to be executed, delivered, or supplied by it.

Upon failure on the part of such Bidder to enter into a written contract with the Municipality, and return all required documents to the Municipality, including performance and payment bonds and insurance certificates, after proper execution, within ten (10) calendar days after receipt of such Contract by the Bidder at the address given in its bid, such defaulting Bidder and its surety shall be liable to the Municipality for the damages sustained by the Municipality by reason of such default. In such event, the Bidder's liability shall not be limited to the amount of the bid security which accompanied its bid. If the bid security was a certified check, such check shall be cashed by the Municipality and deposited forthwith to the Municipality's account. If the Municipality's actual damages are less

than the amount deposited, the excess shall be returned to the defaulting Bidder. No allowance for interest or the like shall be paid or payable to the Municipality on any bid security.

WITHDRAW OF BIDS

In submitting bids, each Bidder agrees that it will not withdraw within sixty (60) calendar days after the actual date of opening of bids, or for such longer period as may be agreed to by the Bidder. Upon submission of a proper request to the Township Manager, in writing, and identification of the one making the request, a bid may be withdrawn, at any time prior to the designated time for the opening of bids. Certain bids may be withdrawn after the bid opening if in compliance with the Act of January 23, 1974, P.L. 9 No.4 §1 et seq, 73 P.S. §1601 et seq., entitled "Public Contracts - Withdrawal of Bids" subject to the limitations and conditions contained therein.

Unless a bid has been formally withdrawn as provided above, it shall be deemed open for acceptance until the Contract Agreement has been executed by both the Bidder and the Municipality or until the Municipality manifests that it does not intend to accept the bid. Notice of Acceptance of any one bid shall not constitute rejection of any other bid or manifestation that the Municipality does not intend to accept any other bid.

RIGHT TO REJECT OR ACCEPT BIDS

The Municipality reserves the right to reject any or all bids; to waive any informality non-material change or clarification in any part or provision of the submitted Contract Documents; or to accept any bid should the Municipality determine that it is in its best interest to do so. The Municipality's decision on the qualification of any Bidder or the adequacy responsiveness, propriety or timeliness of the bid and/or its decision to reject any or all bids or to accept any bids shall be final binding and uncontestable as to all bidders.

QUALIFICATIONS AND EXPERIENCE OF BIDDERS

No award will be made to any Bidder who cannot warrant and upon request cannot demonstrate that it possesses the knowledge, experience skill, capital, licenses, permits, patents and/or personnel necessary to satisfactorily enable it to prosecute and complete the work successfully and perform the work within the time required pursuant to the Contract Documents.

TIME OF COMPLETION

The Contractor may begin work on the date of the Notice to Proceed and carry the work forward expeditiously to achieve substantial completion within the time stipulated in the Contract Documents. The Municipality will apply liquidated damages for each consecutive calendar day that the work remains uncompleted.

PREVAILING WAGES PROJECT RATES

Bids in excess of \$25,000 should be in compliance with the Pennsylvania Prevailing Wage Act. The Bidder shall pay not less than the minimum wage rates established by the governmental agency having jurisdiction. The Supplier shall comply with the requirements of the Pennsylvania Prevailing Wage Act, Act No. 442, approved August 15, 1961.

To assure East Buffalo Township compliance to Prevailing Wage Rates, payroll copies shall be furnished to the Municipality with each payment request.
